Rehearsal / Meeting Notes

- Started late - a little confusion with the fight call for Ben's one act - decided to do it during Appropriate Audience Behavior
- We are going to have to decide which side each show takes set pieces on from and which side they take them off from - cause these transitions were sloooooow
- Appropriate Audience Behavior: Good overall, nice projection, solid transitions
- The Crooked Man: PROJECT!!! We need to talk to Ben about everything! 3 actors had script on stage - We have to talk.... About this length
- Birdie: took a pretty long time to set up, overall show went pretty swimmingly
- No Intermission, went straight into it
- An Actor's Nightmare: worked out lighting with Chris
- It's Not You, It's Me: had to rush it a little because we were tight on time
- Transition to Part 2 went pretty smooth, it was a little rushed

- This is a Test: A little confusion with sound cues but went well
- Hard Candy: Good!
- Welcome to the NBA: Yay!
- Survey Says: Thumbs up!
- All I Really Needed to Know: A little silly but ok
