## Scenic

---

1. We wanted to change the positioning of the benches that would work for the staging of the bear baiting scene (A2S2). We would like the benches attached to the platforms just upstage of the poles (see photo attached to this email). These will be preset here during intermission.
2. Would you be ok during the bear baiting scene (A2S2), we have the center cage DS of the bear baiting curtain?

## Props

---

1. We would like to officially **ADD** the following items:
  - a. a **flask** for John that he can keep on his person the entire show
  - b. clarifying that **tankards** will be used in every moment with cups other than when Richard is handed a **tea cup** in Act 1 Scene 3.
  - c. a cleaning **rag** for Seth when he enters to help in the transition from Act 1 Scene 4 to Act 1 Scene 5 (pg. 94)
  - d. a **ball** (the size of a kickball) for the Fluffies to pass between them in their cage (it could be a red kickball)
2. We would like to confirm that the tables for Act 1 Scene 4 are on wheels?
  - a. We wanted to flag that the tables will be rolled off with 8 tankards on top of them between the two of them.

## Costumes

---

1. We would like to confirm if Nate will be wearing a wig during Act 1 Scene 3?
2. We were wondering if we could have an **apron** for Seth so that he could help during the transition out of the bar (A1S4) into the Crossing of the Thames (A1S5)?
3. Would it be possible to add **two gold rings**, one for John and one for Henry, for them to wear in Act 3 Scene 2?
