Hi all,

Thank you for your continued dedication to this project!

Breaks were staggered throughout rehearsal for Performers and Fellows. Artistic Staff took breaks as needed. Specific Breaks were taken from 1:27p-1:37p and 5:22p-5:32p.

Today's rehearsal focused on putting all of the pieces together! Stephen started rehearsal giving general notes to the group about what to wear the day of and did a very thorough rehearsal of the Opening Exercise. Then for the rest of the first session, the students worked through the first two Parts of the program. After an hour, the group regrouped for a work through of Part 3.

No injury or illness' to report about today!
